

BOSTON

FLOOR PLAN

ground floor

first floor

The Boston is a spacious home with large glass windows creating a flow of natural light and a sense of openness. The rear garage is suited for laneway access and gives the front of the house a stunning street appeal. The large master bedroom is located downstairs, while the remaining bedrooms create an upstairs sleeping zone complete with living area and balcony. The spacious open plan kitchen, meals and living open to the alfresco creating the perfect entertaining area. The master bedroom hosts a walk through robe leading into a spacious ensuite, while the powder room opens both ways offering access and privacy when entertaining.
