

ALTAVISTA

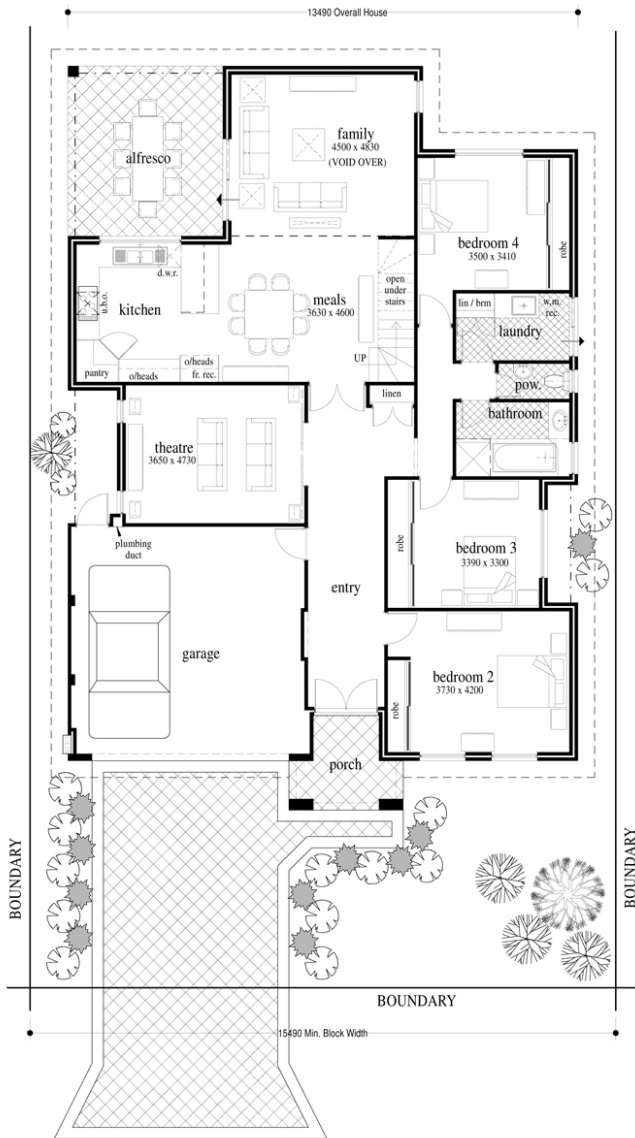

The Altavista is our popular loft designed home, delivering an exceptional layout with room for the whole family to really live. The porch leads you to a lovely double door entry with a truly enormous foyer and display niche. Open living, kitchen/family and meals flows into the outdoor living alfresco area. The sitting room, with the vaulted ceiling overlooking the family room, offers a lovely spacious feel to an already large open area. Bedrooms are large enough for queen sized beds as well as a study desk. You will love the very private upstairs parents zone equipped with its own spa, walk-in robe and separate W.C.
