

HELENA

FLOOR PLAN

ground floor

first floor

The Helena is designed perfectly for a narrow lot with an appealing facade and practical floor plan. Upstairs is the comfortable sleeping zone complete with private study and computer nook. The large master bedroom has plenty of space with a walk through robe and stylish ensuite. The second and third bedrooms are well sized with built in robes giving children the space they need. Downstairs the guest bedroom and ensuite are a great addition to this home, and the very spacious and flowing living areas provide an entertainment haven. The kitchen, meals and living open seamlessly onto the alfresco creating space and freedom of movement. The Helena is affordable narrow lot living without compromise.
